Seussical The Musical

The Cat in the Hat tells the story of Horton, an elephant who discovers a speck of dust that contains the Whos, including Jojo, a Who child sent off to military school for thinking too many "thinks." Horton faces a double challenge: not only must he protect the Whos from a world of naysayers and dangers, but he must guard an abandoned egg, left in his care by the irresponsible Mayzie La Bird. Although Horton faces ridicule, danger, kidnapping and a trial, the intrepid Gertrude McFuzz never loses faith in him. Ultimately, the powers of friendship, loyalty, family and community are challenged and emerge triumphant.

Everybody loves the international bestseller and award-winning book, The Rainbow Fish, with its wonderful message of friendship and belonging. Now you can bring the magical, colorful world of the deep blue sea to life on your stage!

This musical features a variety of charming school and sea-creature characters who admire the famous Rainbow Fish, the most beautiful fish in all the ocean. When Rainbow Fish refuses to share his (or her!) vibrant, shimmering scales (played by separate actors who become a chorus for solo songs), the whole ocean seems to turn against the vain creature. Unhappy that no one adores him anymore, the Rainbow Fish seeks out the wise Octopus, whose tentacles can also be played by separate actors. Octopus helps the young fish learn that it's far better to be admired for being kind than for being beautiful.
